GED tests

Your future is calling. With the GED test you can answer the call. The current version of the GED test is expiring at the end of 2013 and your scores will expire too if you don't finish and pass the GED test by then. If you act now, you won't have to re-take the parts of the GED test you've already passed. Because you've already started the GED test you're almost there.

Don't feel prepared to finish the GED test? Don't worry — help is available! Even with your busy schedule, you can prepare, plan and succeed. Call Trinity at 503-879-2282 or 1-800-422-0232, ext. 2282. ■

Workshop facilitators for Micro Enterprise Business Classes wanted

MERIT is a microenterprise program which provides business training and one-on-one business counseling to residents of Marion, Polk and Yamhill counties who are in the process of starting their own businesses.

A Microenterprise is defined as a very small (or micro-) business, having fewer than five employees (usually a single self-employed person or family), minimal capital needs, and whose owner has some social, cultural, economic or physical barrier to overcome that prevents access to traditional business training and counseling resources.

We are looking for individuals who possess the best practices in workshop facilitation, instruction and classroom management to facilitate discussion and student information exchange on the topic of business development.

Our goal is to create a safe, interactive, non-critical learning environment that encourages self-reflection and learning. We are looking for individuals who will build trust with each student to ensure they become completely engaged in the course to the best of their ability.

Application Instructions: Please send your resume and a bio to the MERIT Program manager Mona Edwards at medwar44@chemeketa.edu.

Enrolled Tribal members can request assistance with test fees (i.e. GRE, SAT, LSAT, ACT) and admissions application fees. Contact Higher Education for more information at 1-800-422-0232, ext. 2275.
