Grand Ronde Low-Income Home Energy Assistance Program

The Grand Ronde Tribe is operating its own Low-Income Home Energy Assistance Program (LIHEAP) to assist Grand Ronde Tribal member households with energy payments (utility bills, firewood, etc.), energy emergencies and weatherization (e.g. furnace repairs).

Income eligible households within Polk, Yamhill, Marion, Washington, Multnomah and Clackamas counties with a Grand Ronde Tribal member are eligible to apply. CTGR members in these counties need to contact Grand Ronde to receive assistance instead of from the community action agency in their area. Grand Ronde's program enables more CTGR members to be served than would otherwise have been possible.

If you are interested in obtaining services contact Social Services at 1-800-242-8196 for energy assistance and the Grand Ronde Tribal Housing Authority at 503-879-2405 for weatherization. The Tribe's LIHEAP program also serves all income eligible Indians on Grand Ronde Reservation or trust land.
