Dear *Smoke Signals*:

Enclosed please find a donation to *Smoke Signals* in memory of our mother, Ruth Barclay.

Receiving *Smoke Signals* was something our mother always looked forward to. She grew up in Grand Ronde and has several Native American friends she kept track of throughout life because of articles she read in *Smoke Signals*.

Ruth E. (Mathis) Barclay was born Aug. 2, 1919, and passed away on Nov. 10, 2009. She donated her body to Oregon Health & Science University's Body Donation Program for the advancement of medical education and research for three years, and a special memorial service was held for her at Spirit Mountain Casino Convention Center on Aug. 17, 2013.

The enclosed donation may be used in whatever manner you believe may be appropriate.

Thank you for the enjoyment your publication brought to our mother, especially in her later years, and best wishes for the continued success of *Smoke Signals*.

(Editor's note: The staff of Smoke Signals donated the \$1,000 check that arrived with his letter to the Chachalu capital campaign.)

Dear *Smoke Signals*:

I would like to thank everyone who came to the Elders' Activity Center on Feb. 20 to help me celebrate my 102nd birthday here in Grand Ronde.

I was thrilled to see everyone and want to thank Tribal Council especially for the beautiful Tribal blanket. Also all those who presented me with potted plants and beautiful flower arrangements. I have them all at home on my table so I can admire them all.

It is wonderful to live this long and see all the changes, but to have great friends to help celebrate it with is great. Once again, thank you all.
