ATTENTION TRIBAL MEMBERS WITH CONTRACT HEALTH SERVICES

As most of you are aware, Contract Health Services (CHS) is a federally funded program and a payor of last resort. With all of the health care changes recently, we would like to take a minute to remind you that ANY alternate resource you have needs to be utilized correctly. That means in order for CHS to cover a "patient responsibility," you must use providers that are in-network with whatever health care coverage you have primary, including the Tribal Health Assistance Program, Skookum. If you choose not to use providers who are in-network or receive services that are not covered, you will be responsible for any patient balance. Services include: Medical, Dental and Behavioral Health. We apologize for any inconvenience this may cause you, but to keep serving our Tribal community, we must exhaust all other resources available to our membership.

CHS also wants to remind you that there are some services that are not covered by CHS, but are covered by Skookum. If you choose to receive these services, you will be responsible for paying the co-payments. They are as follows: Chiropractic care, Naturopathic care, Massage and Acupuncture, as well as outpatient drug & alcohol treatment. This does not mean that you cannot use those services; it simply means that CHS will not be responsible for any patient balances. You can still keep those appointments; you just need to pay whatever your co-pay is. We understand that this can all be a little confusing, so please feel free to give us a call if you have ANY questions and we'll be happy to help.
