

Name Our Community Garden

With assistance from the Land & Culture Department, Facilities, Social Services, Natural Resources Department, Tribal Staff and Community Members, the Community Garden is being renovated. Garden beds have been resided and compost added to increase soil nutrients. Pathways have been lined and spread with chips. Additionally, as the year progresses a greenhouse will be installed and a small orchard planted.

Now that the Community Garden is taking off and beginning the planting season, The garden needs a name!

Please submit your recommendations to:
