

Chinuk Wawa app

Photo by Michelle Alaimo

Mikayla Mercier is posed by Kara Thornton while being photographed for the Chinuk Wawa language application that the Tribe's Cultural Education and Outreach Program is working on. Tribal members had an opportunity to volunteer on Monday, April 28, to have their photo taken to be part of the app. Thornton Media, owned by Thornton and her husband, Don, is the company building the app and the photos will accompany words in it. The app, which will be free, is being made for the iPhone and iPad, and one for the Android operating system will follow in 2015.
