### Our Connection with the Land

The Land and Culture Department is running a series of short questionnaires. We would like your input regarding your and your family's cultural ties to regions throughout the Tribe's ceded lands and ancestral territories. Please know your responses will be kept confidential and, if you choose, anonymous.

#### Northern Oregon Coast

This month we are asking again about Grand Ronde's connection to the northern Oregon coast, from Lincoln City to the Columbia River (previously ran in January 2014). Please provide any information you have about our past and present connections to the northern coast, including places and activities on the land, in the rivers, and in the ocean.
