Workshop facilitators for micro-enterprise business classes wanted

MERIT is a microenterprise program that provides business training and one-on-one business counseling to residents of Marion, Polk and Yamhill counties who are in the process of starting their own businesses.

A microenterprise is defined as a very small (or micro-) business, having fewer than five employees (usually a single self-employed person or family), minimal capital needs, and whose owner has some social, cultural, economic or physical barrier to overcome that prevents access to traditional business training and counseling resources. We are looking for individuals who possess the best practices in workshop facilitation, instruction and classroom management to facilitate discussion and student information exchange on the topic of business development. Our goal is to create a safe, interactive, non-critical learning environment that encourages self-reflection and learning. We are looking for individuals who will build trust with each student to ensure they become completely engaged in the course to the best of their ability.

Application Instructions: Please send your resume and a bio to the MERIT Program Manager Mona Edwards at medwar44@chemeketa.edu. ■

Important notice to full-time students

All full-time students must submit verification that they have applied to a scholarship outside the Tribe before funding will be released for the term/semester. Verification can include a scholarship award or denial letter, e-mail verification that an application was submitted, a copy of the application or the financial aid award letter that lists an outside scholarship. Please contact Education at 1-800-422-0232, ext. 2275, if you have any questions. ■
