

## OHP re-application process

In October 2013, the Oregon Health Plan sent out a one-page application to sign up for health benefits called "Fast Track."

Any recipient on SNAP (food stamps) received a Fast Track letter. All Oregon Health Plan members who qualified for coverage through Fast Track must re-apply within the first year of coverage or risk losing their coverage. If it has not been a full year, you still need to re-apply to continue receiving health benefits.

In July, the Oregon Health Authority will begin sending letters to Oregonians who received the Oregon Health Plan through Fast Track explaining the re-application process. The Grand Ronde Health and Wellness Center Community Partners want to help Tribal and community members make sure they retain their health coverage. If you do not re-apply, you will lose your health benefits through the Oregon Health Plan.

Please give us a call for information and assistance.

## Fish & Wildlife Committee has new e-mail address

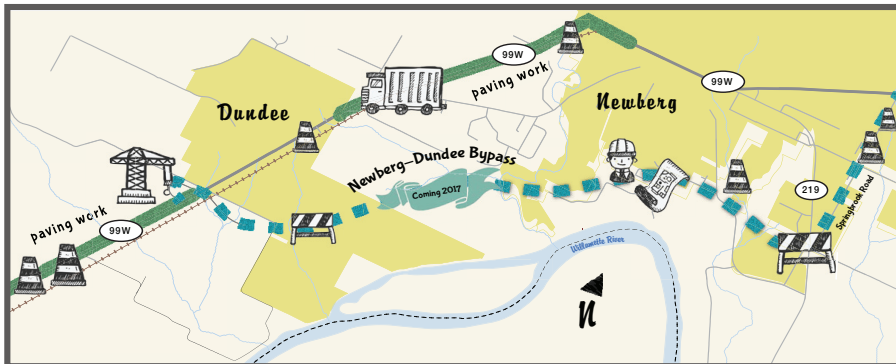

In an effort to be of better service to the membership, the Tribe's Fish & Wildlife Committee has created an e-mail address for those who hunt, fish and gather on the Reservation.

The e-mail address is designed so that Tribal members can make the committee aware of any concerns or questions and to make positive comments. The committee will do its best to provide answers and feedback to the membership so that everyone who wishes to utilize the Reservation lands may do so legally.

Submit your comments, questions and concerns to FW.Committee@grandronde.org. ■

**ODOT appreciates your patience  
and cooperation during construction.**

We're making major investments to improve safety, create jobs, and build a better transportation system.

Neighbors and motorists in and around Newberg and Dundee will be seeing more trucks, signs, cones, and work crews as work on the Bypass picks up momentum. ODOT is also repaving several miles of Oregon 99W, and both cities are working on a variety of local improvements. Please be alert, drive safely, and plan ahead for some travel delay.
