

EDUCATION OPPORTUNITIES

Important notice to full-time students

All full-time students must submit verification that they have applied to a scholarship outside the Tribe before funding will be released for the term/semester. Verification can include a scholarship award or denial letter, e-mail verification that an application was submitted, a copy of the application or the financial aid award letter that lists an outside scholarship. Please contact Education at 1-800-422-0232, ext. 2275, if you have any questions. ■

Looking for scholarships?

There are numerous scholarship opportunities offered for students to apply to each year. The majority of scholarships for fall term/semester are due between January and April of each year. The Tribal Higher Education programs are here to assist you in your application process. If you use a scholarship search site, be sure to read the privacy policy to ensure you are using a site that will not sell your contact information. A recommended search site to use is www.kaarme.com.

College Placement Testing offered
