NEW CULTURE CLASS VIDEO CLAP STICK MAKING

There is a new addition to the Culture Class Videos (available at <http://www.grandronde.org/culture/culture-class-videos>). Joining the videos about Basket Making, Drum Making and Beading is a Clap Stick Making Class.

Clap Sticks are one of our original percussion instruments and are made from the Elderberry tree. The video class takes you through the entire process, from identifying and selecting a good branch to singing with the final product. Bobby Mercier does an excellent job explaining and demonstrating the process. He includes historical processes and uses as well as “work smarter, not harder” steps using modern tools; allowing you to determine the best method for creating your clap stick.
