Tribal Council approves \$2.5 million loan to Ilihi

By Dean Rhodes

Smoke Signals editor

Tribal Council approved a loan to Tribal business entity Ilihi LLC not to exceed \$2.5 million during a special meeting held on Friday, March 27. Ilihi will use the money to make a loan to MicroGREEN Polymers Inc. of Arlington, Wash.

MicroGREEN uses its patented

Ad-air technology to create the In-Cycle brand of insulating and temperature-resistant cups made from expanded, recycled water bottles.

Grand Ronde first invested in MicroGREEN in 2013 and received an award from the Native American Finance Officers Association for its \$10 million equity investment in the company in April 2014. ■

Looking for scholarships?

There are numerous scholarship opportunities offered for students to apply to each year. The majority of scholarships for fall term/semester are due between January and April of each year.

The Tribal Higher Education programs are here to assist you in your application process.

If you use a scholarship search site, be sure to read the privacy policy to ensure you are using a site that will not sell your contact information. A recommended search site to use is www.kaarme.com. ■

STORIES OF GRAND RONDE ROYALTY PAST AND CURRENT

CHACHALU
TRIBEAL MUSEUM & CULTURAL CENTER

The Land and Culture Department is launching a new Oral History project beginning March 1st, 2015. This project will highlight the stories of our past and current royalty contestants and facilitators. We encourage any Tribal Members who have participated in Royalty to share their experiences so they will be available for future generations by becoming part of the Tribe's archives here at Chachalu. What we accomplish today is tomorrow's history.

Please contact Bradley Leno at 503-879-2194 to set up a time to share your story.
