2015 Tribal hunting tags and application rules

As previously announced, on September 5, 2014, the Oregon Department of Fish and Wildlife Commission approved the Tribal Fish and Wildlife Management Plan. The approval delegated authority to the Tribe, regaining sovereignty over natural resources on the Tribal Reservation and trust lands. An administrative rule was developed as part of the approval process, which provides additional hunting tags to the Tribe outside of the state-issued regular and ceremonial hunting tags already allocated to the membership. The new tags will be valid on the Reservation only as identified by the red line (see Figure below).

The Fish & Wildlife Department will hold the new Tribal hunting tag drawing for these Tribal Wildlife Management Tags (black-tailed deer and Roosevelt elk) on **Friday, Sept. 11, 2015**, at 5 p.m. at the Natural Resources Department facility, 47010 S.W. Hebo Road, Grand Ronde, Oregon 97347.

APPLICATION RULES:

- Tribal hunting licenses are required before submitting applications with the exception that Tribal members 11 years of age may apply. **However, they must turn 12 and have their Hunter's Safety Certificate submitted to the Natural Resources Department before a tag will be issued. Under no circumstances will a tag be issued without the Hunter's Safety Certificate on file. If a license is not obtained before the submitted application, all applications will be voided.**
- Incomplete or duplicate applications will be voided. Applications must be legible and signed in all designated spaces

- Tribal members 17 and under must possess a valid Hunter's Safety Certificate.
 - Tribal members must have successfully completed a one-time education tutorial discussing tag rules, regulations, applications and reporting as well as receive associated tutorial materials before awarded tag can be picked up. Please contact Tribal Wildlife Biologist Lindsay Belonga at 503-879-2387 for more information. **Under no circumstances will a tag be issued without hunter having completed said tutorial.**
 - Tags are non-transferable
- TRIBAL LICENSES are issued at the Natural Resources Department. Please call ahead of time to schedule an appointment to obtain your license. Tribal Enrollment Cards are required at the time of licensing and in addition, Hunter's Safety Certificates are required for youth 17 and under.
