Fish & Wildlife Committee has e-mail address

In an effort to better serve the membership, the Tribe's Fish & Wildlife Committee created an e-mail address for those who hunt, fish and gather on the Reservation.

The e-mail address is designed so that Tribal members can make the committee aware of any concerns or questions, and to make positive comments. The committee will do its best to provide answers and feedback so that everyone who wishes to utilize the Reservation lands may do so legally.
