

CTGR Higher Education Program deadlines set

There are now only two Higher Education programs depending on whether you are full-time or part-time. The deadline for the Full-Time College program is at least 30 days before the start of classes. The deadline for the Part-Time College program is at least 10 days before the start of class.

Visit the Tribal website for more program information and an application. www.grandronde.org/departments/education/higher-education/ ■

Attention full-time students

All full-time students must submit verification that they have applied to a scholarship outside the Tribe before funding will be released for the term/semester. Verification can include a scholarship award or denial letter, e-mail verification that an application was submitted, a copy of the application or the financial aid award letter that lists an outside scholarship.
