## HAPPY NEW YEAR FROM CHACHALU AND THE CULTURE DEPARTMENT STAFF

### Collections and Archives New Years Tips

#### Make a digital backup.

- Download all those family photos from phones, tablets, and computers onto a portable drive.
- Take some time to organize your photo files and rename your pictures by date, name or event.
- Fill in your new 2016 calendar with regular monthly **BACKUP** days so you can prevent devastating data loss.

#### Have a photo party with your family.

- Bring out those old albums and share stories.
- Record names and dates where you can. There is no time like the present to preserve the past.
- Consider donating your photos to the Chachalu Archives. Staff will scan donations into the archive and return the originals to you. Printed copies also may be made available upon request.

#### Plan a big New Year's clean up.

- Set aside historic treasures for dusting, special handling or storage.
- If you would like to keep your things healthy and happy, it is important to keep moisture, excessive heat, light or pests from damaging them.

#### Make an appointment with the Oral Historian and share your story.

- Contact Chachalu's Oral Historian: Stacey Runningbird at 503-879-2381 or [staceyrunningbird@grandronde.org](mailto:staceyrunningbird@grandronde.org)
- A digital record can be added to the archives, and if you like, may be made available for future generations.

**Contact the Collections program for assistance.** While we do not offer appraisals, we can assist with your preservation plans both immediate and long term.
