

Smoke Signals photo reprint policy

See a photo you like in *Smoke Signals*?
Want a copy, or several copies?

Reprint orders must be pre-paid with a check made out to *Smoke Signals*. A photo reprint order form is available in the Publications Office of the Tribe's Governance Building in Grand Ronde, or can be mailed upon request.

All photos contained in *Smoke Signals*' current archive are available for purchase, but people interested in going through the archive must make an appointment to review photos for possible purchase.

No rush orders are permitted and requestors must allow 30 days for delivery. Requestors must be Tribal members.

In addition, reprint requestors must agree that the reprint is for personal use only, and not for use in an ad, or for commercial, political or promotional purposes.

What is an internship?

An internship (full-time/part-time) is a real-world experience related to your career goals and interests. Internships can be what helps you stand out in your job interviews after college. Most employers look for a combination of formal education and experience.

It may, but does not have to be related/connected to your academic major or minor.

Not only are you gaining valuable hands-on experience, you are also networking and making connections to professionals in your future career field. CTGR Higher Education encourages students to explore internship opportunities to supplement their college education. ■
