

**Then...**

Happy 18th Birthday to my grandson Rock. Your family is so proud of you and the accomplishments you have made. If your Mom could tell you, I know she would be so very proud of you. She is always with you watching over you. Love Grandma Jill and your entire family!

**~Amy Lenn~**

August 2016

It's been 13 years since you were taken from this earth and arrived in Heaven. Oh how time flies, seems like yesterday we were those two happy little girls in our matching dresses, hunting Easter eggs...

Your smile is unforgettable, it's with me every day, warms my heart, clears my mind. There are times when I'm so lost in memories. As I enter back into reality it's like I just lost you all over again... It feels so real...

Pictures and conversations with mom get me through day by day, remembering your laugh talking about tattoos in memory of you. You made such an impact on people it's something you left with me...

I heard this once and it has stayed with me since...

As the world moved forward... I stood in great darkness... frozen, broken and shattered into pieces... I knew it was real you were gone... Your death changed me...

it took me with you... We love and miss you very much...
