

Walking On...

Robert "Butch" Rife

June 13, 1936 – July 24, 2016

It is with great sadness that we share in the passing of our father, husband, brother, cousin, uncle and friend Robert Edwin Rife.

Robert was born on June 13, 1936, in Eugene, Ore., to Edwin Benjamin and Alice Clarinda Jeffers Rife. He sadly passed on July 24, 2016, at St. Charles Hospital in Redmond, Ore.

Bob came from a large family. His siblings include William Rife, Bessie West, Pearl Rife, Gladys Cook, Ruby Golden and Clara Watts; many of whom live in Grand Ronde. Known by many as Bobby Eagle, he was very proud of his Native heritage. He was a Grand Ronde Tribal Elder.

Bob also was a military man like his father and his brother, Bill. He served in the Army and was sent overseas to Germany as part of his tour of duty. Both family and country were important to Bob.

Bob married his first wife, LaWanda Fochtman, in 1958. Together they had four children: Allan Rife, Donna Demaris, Deneise Bill and Darla Rife. Grandchildren include Clinton, Tyra, Sheena, Ashley, Brodie, Jozie and Trace. Great-grandchildren include Blaize, Miranda, Abraham, Cierra, Carly, John, Jacob, Joseph, Brock, Cage, Tallon and Casen.

Bob later married Judy Green and they had a son, Robbie Rife. These grandchildren include Mackenna, Brooke, Paige and Blake.

Finally, Bob met Amy McCully and they were married in 1997. Together, they lived in Culver, Ore. Amy had three children of her own, Jim Hawthorne, Trina Lyons and Jeff Hawthorne, whom Bob called his own. Grandchildren include Patton, Isabel, Kristin, Maegan, Michael, Gigi and Henry. Great-grandchildren include Ellie and Olivia.

In loving memory ... we will miss you.

A celebration of life was held at the Veterans Memorial Park in Culver from 2 to 6 p.m. Friday, July 29.

KEEP SALMON OFF DRUGS

PROTECT SALMON AND WATERWAYS

Take unused prescriptions to local law enforcement agencies or collection facilities for safe disposal

Flushing prescription drugs down the toilet puts aquatic life at risk. Salmon need clean water to survive, and these chemicals have harmful effects on behavior, growth, and reproduction. Dispose of drugs properly and keep salmon habitat healthy.
