

WIC visits Health & Wellness Center

Pregnant? Breastfeeding? Does your family include a child under the age of 5?

If so, you may qualify for the Women, Infants and Children program. With WIC, people can receive answers to nutritional questions and access fruits and vegetables, whole grains, eggs, milk, cheese, juice, cereal and more.

A WIC representative visits the Health & Wellness Center on the third Tuesday of the month, which will be June 20.

Walk-ins are welcome between 9 a.m. and 4 p.m. When WIC clients arrive at the Health & Wellness Center, they should enter through the Wellness Department located at the back of the medical wing.

For more information or to schedule an appointment, call 503-623-8175, ext. 2297. ■

FOSTER A TRIBAL CHILD

Our Foster Care Program actively recruits and certifies applicants who are willing to open their hearts and homes and provide temporary to long-term care for our children in foster care. Requesting more information is the first step in making a positive difference in the life of a child.
