

Tribal Elder Christine Contreras patiently waits to catch a fish during the Elders Fishing Trip at Hebo Lake in Hebo on Thursday, Sept. 21. Regardless of the lake being stocked with 100 rainbow trout the same day as the fishing trip, it was a slow day for catching fish. This was the second of two fishing trips of the year that are sponsored by the Tribe's Fish & Wildlife Committee. Additional staff from the Natural Resources Department and Community Health Program also helped at the event.
