

Teal Reibach uses an ax to whittle down a block of alder that her and her husband Harris are carving into a grease bowl during the Beginners Carving class held on Wednesday, Jan. 10.

Izaiah Fisher (Siletz) uses an adze to carve out the inside of a grease bowl during the Beginners Carving class held on Wednesday, Jan. 24.

The Beginners Carving class taught participants how to make a grease bowl like this one made by Tribal Cultural Education Specialist Brian Krehbiel, who taught the class.

Tribal Elder Pat Brisbois are just on Wednesday,
