Book Review: “A Walk to Remember” by Nicholas Sparks.

When the month of April comes around, Landon Carter finds himself daydreaming about his last year of high school when he found the most precious thing life has to offer: love.

When Landon was a teenager, he thought he had loved before because he had had a couple different girlfriends. So what difference would Jamie Sullivan have on him?

Jamie is the Baptist minister’s daughter and everyone knows it. She sings in the church choir, never goes anywhere without her father and always has a Bible in her arms.

Landon is just a rebellious kid, which you would find hard to believe because his family was so well off. He is always getting in trouble at school and out of school, and dating the wild girls.

Jamie and Landon have gone to school together since kindergarten and never had a class together before now, when Landon’s actions end him up in drama class with her. Landon would have never thought of asking Jamie to the homecoming dance because of his friends.

One day when Landon is flipping through the yearbook, by chance her face pops up and he just knows he has to ask her. After asking Jamie to homecoming, their bond strengthens and the relationship turns his life around for the better. When Landon finds out something very life-threatening about Jamie, he doesn’t know what to do, but what he does will have you crying before the book ends.

— *by Kayla Grijalva*

Donations: Our thanks to Josh Henry, Ava Fagundes and Josephine Pippin for their contributions to the library collection. We appreciate the generosity of our friends of the library.

Reminder: Donated items must be clean and in good condition.

Inter-Library Loan services: The Tribal Library partners with Oregon State Library to offer “library to library” inter-library loan services.
