

KEEP **SALMON**

OFF DRUGS

PROTECT SALMON

AND WATERWAYS

Take unused prescriptions to local law enforcement agencies or collection facilities for safe disposal

OREGON RESIDENTS:

Flushing prescription drugs down the toilet puts aquatic life at risk. Salmon need clean water to survive, and these chemicals have harmful effects on behavior, growth, and reproduction. Dispose of drugs properly and keep salmon habitat healthy.

Social Services has bike helmets

The Tribe’s Social Services Department has bicycle helmets available for distribution. Those needing a helmet should visit the department and sign a helmet application, as well as get fitted.

For more information, contact Social Services at 503-879-2034. ■
