Police Department has non-emergency text line

The Grand Ronde Tribal Police Department has created a non-emergency text line at 541-921-2927.

"Even though this is mostly designed for children, I don't want adults thinking that they can't use it as well. If you have a non-emergency situation or question, feel free to contact my officer via text through this line," said Grand Ronde Tribal Police Chief Jake McKnight. "When one of my officers receives the text, they will call you back when they have time."

McKnight said that emergency situations still require calling 911.

For more information, contact McKnight at 503-879-1474. ■
