

Things I miss about Royalty... I miss talking on the mic and to all the other Royalty girls. I also miss helping with food and passing out gifts. When I pass out gifts it makes me feel fuzzy inside. I miss doing all the events and powwows because it feels like in 3036 I will be dancing in history.

MARIE QUEEN

Mabel Brisbois

Senior Miss Veterans Queen 2019 - 2020

What I miss the most is being able to travel to different powwows and being able to hang out with my friends.

Tasina Bluehorse Jr. Miss Veterans Queen 2019-2020

I miss all the Royalty girls.

Traveling to powwows.

Miss life how it used to be.

Hope you all stay safe ❤️

What I miss: I miss dancing at powwows and singing with all my family members. I miss seeing the colorful dancers, it makes me happy being with them. I miss Royalty. I miss helping others with kind people. I miss speaking to the crowds. I miss laughing with the others. I love Royalty and powwows.
