Satara Blanchard

I didnt participate in royalty last year, but watching powwow and dancing on my own is my best memory from 2019.

I'm excited for what future powwows hold as I get to participate this year.

2019 Memory

My favorite memory about Contest Powwow was my first royalty pageant.

Sophia Grout

My favorite memory from 2019 CTGR Powwow was putting on the Queens Special it's something we queens do every year. It's so exciting to judge the winners with my teammates. There are so many great dancers it makes it hard to choose!
