

In memory of Charles Dean Haller

I wish I could have been there to say goodbye to you my brother, I'm sorry. Always know that I will forever cherish the memories of our lives together. I thank you so much for being a part of my life. My heart is heavy I send you away with my tears and prayers and songs my little brother. My only comfort is I know that you are in the company of angels telling stories that I will miss so much. I love you always and forever my brother.

Your brother Jim
