

Hunters Education Field Day set for May 1

The Natural Resources Department's Parks and Recreation Program is coordinating a Hunters Education Field Day on Saturday, May 1.

Registration for the class must be done at the Oregon Department of Fish & Wildlife website. There is a \$10 per student fee and the class is open to Tribal and nonTribal youth ages 9 to 17 by the beginning of the 2021 hunting season.

The class is only the field day and students must have attended either a conventional course, online course or completed an at-home workbook. Spots will be limited.

In Oregon, all youth hunters 17 and younger must pass a certified hunter education class before hunting unless they are participating in the Mentor Youth Hunter Program. The minimum age to hunt big game is 12 and hunters age 13 and younger must be accompanied by an adult 21 or older when hunting.

To register for the Field Day, visit myodfw.com. For a full list of youth hunter regulations, visit www.eregulations.com/oregon.
