Real heroes don't have a name on the back of their jersey.

They have their country's flag on the arm of a uniform. Thank you for our freedom.

Love,

The Veteran I want to honor is my Uncle Jake. He was a Sergeant in the Army and he was a Mechanic. He loved visiting with family and loved fry bread. We love you Uncle Jake. ~Marie

The Veteran I want to honor is my mom. She was in the Navy. I am so grateful to have her as my mom. She got to see a lot of different countries in her travels. She is and will always be my hero. I love you mom.

Thank you great uncle John.

Hello everyone, my name is Kaleigha Simi and I am the outgoing Senior Miss Veterans Queen for the years of 2020-2021. It was definitely a rough year for all of us in our own ways, but we all pushed through it. I wouldn't have been able to make it through this past year without the support from my mom, so a huge thank you goes out to her. I'd also like to thank my family, my royalty family and our community for all of their love and support. One thing I've learned this past year was to always look forward, that even though things are rough in the present, it will get better in the future. I dedicated my year as the Senior Miss Veterans Queen to my two great-grand fathers; Robert L. Simi (US Navy) and Marvin L. Kimsey (US Navy), our family appreciates the strength and sacrifice it takes to serve our country. We respect and honor those who serve, as well as those who support them at home. In closing, I'd personally like to thank all the men & women in uniform; past, present and future, it has been my honor to represent you.
