

# 'Returning to the Circle'

In our final collection we celebrate our return to the circle. Looking back to June 2020, we have all come so far – stronger and more resilient. We look forward to seeing you at powwows and other events. Continue to take care of yourselves, loved ones and others. Kindness matters. I enjoyed the Lane Community College Powwow because I enjoy dancing and I got to spend time with my family and friends. I also held a tarantula.

We have missed powwows so much! It was hard without powwows, but we are happy they are back again! At Lane Powwow it felt so good to dance, to hear the drum, and see everyone. We wish for everyone to stay safe and healthy as everyone travels more.

We hope to see you at the next powwow soon!
