Willamette River Bridge receives Indigenous name

PORTLAND – The Sauvie Island Bridge over the Multnomah Channel on the Willamette River has a new Indigenous name – the Wapato Bridge.

The bridge is named after the Tribal first food that helped sustain Native American communities before the influx of European settlers.

The bridge renaming was approved by the Multnomah County Commission. The bridge was built in 2008 after the original Sauvie Island Bridge, constructed in 1950, was deemed unsafe for continued use. ■

Grand Ronde Tribal member named emerging Indigenous artist educator

VANCOUVER, Wash. – Grand Ronde Tribal member Kitana Marie Connelly, also known as Twahna, has been awarded an emerging Indigenous artist educator internship by nonprofit foundation Confluence.

Confluence works through six art landscapes, educational programs and public gatherings in collaboration with Northwest Tribes and communities, according to its website.

The paid internship at Confluence will allow Connelly to spend time developing her craft and work in classrooms with students and teachers. This year-long position is funded by The Roundhouse Foundation, an Oregon nonprofit.

“I am an artist entrepreneur amplifying the spiritual lifeways of Indigenous cultures in both modern and traditional practices,” she said in a press release. “I show this through paintings, portraits and conversations focusing on healing in the community. I also offer public speaking services and art workshops on healing and creating through intuition. My co-creations are influenced by my connection to Spirit and the land. I paint with ink because it perfectly portrays the energy movements that I capture, at times, I layer other mediums to add texture as well. I started Twahna Creation because my connection to my culture and art was the catalyst of healing my inner tribulations and traumas, a continuous journey. This took over my life in early 2020, at the same time I also took in and began raising my little brother. That was the first time I ever painted abstractly and I haven't stopped since.” ■
