## Health & Wellness Center offering vaccines

The new COVID-19 vaccine, Spikevax, is available at the Health & Wellness Center for adults 18 and older. It is recommended for those with chronic health conditions such as chronic obstructive pulmonary disease, kidney failure and heart failure, regardless if they have received older vaccines. Spikevax is not a booster.

Another vaccine that is recommended is for RSV, which is available to babies 8 months and younger, for expectant mothers who are 32 to 36 weeks pregnant and in limited amounts for those 60 and older.

For more information, call the Health & Wellness Center at 503-879-2002. ■
