

Weed Warriors group launches summer series

Tribal member Amber Eastman has formed a group called Weed Warriors, who are dedicated to removing weeds from Tribal housing and other areas on the Tribal campus using natural methods instead of pesticides. All are invited. The weeding events will occur from 6-7 p.m. Tuesday, June 24, July 29 and Aug. 26. Before the weeding begins, all are invited to participate in a Community Smudge Walk at 5 p.m. Both the walk and the weeding group participants will meet at the Visionaries statue in front of the Tribal Governance Center. Each weeding event has a theme: June is “strawberry shortcake and stewardship,” where participants will enjoy strawberry shortcake afterward. July is “weed and watermelon” and August is “smudge walk and seed the future.” Tools, gloves and cold drinks will be provided for all participants. ■
