EDITORIAL.

Hon. J. D. Lee argued from the stand that either the Republicans or Democrats will win in the state election, in June, and that Socialist will throw away their votes. We would respectfully inquire: When in all past history did a man throw away his influence by standing firmly for what he believed to be right? The Son of God died to verify what he taught, and shall a Socialist vote for what he does not want for fear of losing his vote. Socialists are made of firmer material than that.

Andrew Carnegie's offer of twenty million dollars for the Philippines, with a view to giving the Filipinos their independence will hardly be accepted, as the Philippine posession will afford political issues for the two present, great political parties for years to come and they must have a bone of contention to squabble over in order to keep the minds of their followers from straying out of the rut and into an understanding of conditions as they exist and not as they are painted by traducers of the truth.

Decoration Day Programe.

Following is the programe for Decoration Day:

Bandon Post, No. 56, G. A. R. will meet in Munck's Hall, at 9:30 a. M., May 30, 1902.

The procession will form on Front Street at 10 a. m. in the following manner.

1 Fire Department Band.
2 Children bearing wreath of flowers.
3 Bandon Post G. A. R.
4 Bandon W. R. Corps.
5 Bandon Fire Department.
6 Citizens.
7 March to the Cemetery.
8 Decoration of Graves.
9 Taps.
10 Return to town and break ranks for dinner.

The afternoon exercises will commence at 2 o'clock, sharp, in Munck's Hall.

The Oration will be delivered by Rev. Holcom of Coquille.

All ex soldiers of the Spanish and Philippine wars are cordially invited to be present.

A cordial invitation is extended to the public generally to turn out and take part in the exercises, as this is a day above all others that should be properly observed.

A request is extended generally to each to bring all the flowers possible for decorative purposes and leave same at Munck's Hall.

By Request of the G. A. R.

Parkersburg and Prosper were well represented at the Socialist lecture Sunday evening.

Carnegie Would Buy the Philippines.

LONDON, May 16.—When asked today if there was any truth in the statement that he had offered to pay $20,000,000 for the Philippines, provided he was authorized to announce to the Filipinos that their independence would be ecknowledged ultimately by the United States, Andrew Carnegie replied: "Yes, and I mean it."

Steel Trust's Profit.

NEW YORK, May 13.—Checks aggregating $10,000,000 were sent out by J. Pierpont Morgan & Co., in payment of the second distribution of profits resulting from the formation of the United States Steel Corporation. The amount of cash advanced by the syndicate was $25,000,000, which was required during the early stages of the corporation's negotiations, and returned after the six or seven months. In financial circles it is believed that altogether $20,000,000 or more will be distributed among the members of the syndicate, which will make 40 per cent on the $200,000,000 underwriten, and 160 per cent on the amount of cash really advanced or paid in.

No Loss of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoeo Remedy for years, and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no farther, and they are atlwork again this morning.—H. R. PHELPS, Plymouth, Oklahoma. As will be seen by the above the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this Remedy in your home. For sale by C. Y. Lowe.

Proposed Amendment to the Constitution of the State of Oregon.

House Joint Resolution No. 1:

Section 1 of Article IV, of the Constitution of the State of Oregon shall be and hereby is amended to read as follows:

Section 1. The legislative authority of the state shall be vested in a legislative assembly, consisting of a senate and house of representatives, but the people reserve to themselves power to propose laws and amendments to the Constitution, and to enact or reject the same at the polls, independent of the legislative assembly, and also reserve power at their own option to approve or reject at the polls any act of the legislative assembly. The first power reserved by the people is the initiative, and not more than eight per cent of the legal voters shall be required to propose any measure by such petition, and every such petition shall include the full text of the measure so proposed. Initiative petitions shall be filed with the secretary of state not less than four months before the election at which they are to be voted upon. The second power is the referendum, and it may be ordered (except as to laws necessary for the immediate preservation of the public peace, health or safety), as other bills are enacted. Referendum petitions shall be filed with the secretary of state not more than ninety days after the final adjournment of the session of the legislative assembly which passed the bill on which the referendum is demanded. The veto power of the governor shall not extend to measures referred to the people. All elections on measures referred to the people of the state shall be had at the biennial regular general elections, except when the legislative assembly shall order a special election. Any measure referred to the people shall take effect and become the law when it is approved by a majority of the votes cast thereon, and not otherwise. The style of all bills shall be: "Be it enacted by the people of the State of Oregon." This section shall not be constructed to deprive any member of the legislative assembly of the right to introduce any measure. The whole number of votes for justice of the supreme court at the regular election last preceding the filing of any petition for the initiative or for the referendum shall be the basis on which the number of legal voters necessary to sign such petition shall be counted. Petitions and orders for the initiative and for the referendum shall be filed with the secretary of state, and in submitting the same to the people he and all other officers shall be guided by the general laws and the act submitting this amendment until legislation shall be especially provided therefore.

The above was adopted by the house and Senate and approved by Governor Geer.

Saved by a Girl's Presence of Mind.

MORRISTOWN, Pa., May 13.—The presence of mind of Miss Katie Henderson saved 30 men employed in the quarries at West Coshohken from death or injury. Miss Henderson resides a short distance from the quarry, and as she looked from a window she saw that the roof of the powder magazine was blazing. The men at work in the quarry were not aware of their danger until she ran to the quarry and warned them, not a second too soon. While the men and Miss Henderson were fleeing, there was a terrible explosion. The air was filled with splinters, stones and dirt, which showered upon their heads. In the magazine were 30 kegs of powder and 300 pounds of dynamite. Nothing but a hole in the ground marks the place where the powder-house stood.

CATARRH CANNOT BE CURED

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. There is boasting, lying, vacillation, procrastination, self-delusion, in every glass of spirits.

Complete temperance—that is, total abstinence from all poisons—is a mighty aid to success. Life is too short, nowadays, to squander time on the delirium of intoxication, or on the mind clouding reactions that follows the reaction of every stimulant habit.

An All-White Map.

Nearly twenty years ago, the first temperance education law in the world was enacted in Vermont. As state after state in rapid succession placed similar laws upon its statute books, they were represented in white on the temperance map of the United State, while the rest of the Union was drawn in black.

Mrs. Mary A. Hunt, World's and National Superintendent of the Department of Scientific Temperance Instruction in the Woman's Christian Temperance Union, has just received the pen with which the governor of Georgia signed the last of these laws now passed by the legislatures of every one of the forty-five states of the United States and by the National Congress, all of which require temperance physiology to be taught all pupils in all schools under state and Federal control.

This study that gives with other laws of health the scientific reasons for total abstinece is now legally engrafted upon the educational system of the entire country, and is fast spreading to other lands.—Unknown.

The next W C T U meeting takes place Tuesday afternoon at 3 o'clock at the residence of Grandma Shoemaker.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

BALTIMORE, Md., March 30, 1901.

Gentlemen:—Being entirely cured of deafness, thanks to your treatment I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to sing, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,

F. A. WERMAN, 730 S. Broadway, Baltimore, Md.
