There is a baseball game at Coquille.

The Bandon baseball grounds were too wet to play upon last Sunday, hence the game between the Marshfield and Bandon teams, scheduled to come off at this place had to be postponed or else played somewhere else, and so a change was made in the program and the teams met on the diamond at Coquille.

We have tried persistently to get a good report of the game and have not succeeded, and can give only the general result, it appearing that there had been no correct report kept.

The steamer Dispatch left here about 8 o'clock in the morning carrying the home team and a large number of excursionists to Coquille and in the evening about 7:30 o'clock she returned bringing the pleasure seekers and ball players back.

The demonstrations on the return of the steamer were much the same as might be expected from a band of Comanches expecting a war dance, as far as noise and din were concerned, arising from the general rejoicing of part of those who had gone to witness the game, chief among whom was our friend Joe who seemed to be trying to get outside himself in his efforts to do the occasion justice, while a new broom was tied upon the mast indicating a clean sweep.

Both teams did good playing but victory rested with the Bandonians. Below is the score by innings:

1 2 3 4 5 6 7 8 9

Marshfield.....0 3 0 0 0 0 1—4

Bandon.....1 0 0 2 0 1 0 0—6

Struck out by Wright, 11; by Haaranan, 4. Two-base hits—Page 1; McKune, 1. Three base hits—Philbrick, 1.

In the afternoon there was an oration in Manck's Hall, preceded by the rites of the G. A. R., including a recitation, and a couple of selections by a volunteer choir. The exercises passed off very smoothly and were well attended. The oration was given by Rev. W. S. Holcomb, of Coquille City who also delivered the memorial sermon on the preceding Sunday. Connected with the arrangement for observing Decoration Day was a dinner prepared by the Woman's Relief Corps for the members of the Grand Army, the W. R. C. and the band.

MOUNTAINEER.

Read It in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung.

He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief.

He says: "After using the Pain Balm for a few days my wife said to me: 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will bear of her wonderful recovery. This valuable liniment is for sale by C. Y. Lowe.

OYSTERS FOR COOS BAY.

Coast Mail: J. W. Bennett received on the Alliance two bags of oyster "plants" from Olympia, which he will put out in the bay just above the Glasco wharf. Mr. Bennett has been trying for some time to get oysters suitable for planting here, and has had considerable correspondence with Prof. Washburn, who is authority on the subject, and who has given him instructions as to planting, etc. Master Fish Warden Van Dozan has also helped materially in getting the oysters. Mr. Bennett will also secure some of the Yaquina Bay variety of oysters and plant them here. Good authorities pronounce this bay as favorable a location for oyster culture as any on the coast, and there seems no good reason why we should not raise our own "luscious bivalves."
