#### The Worlds Beer Bill.

The brewers are pushing their busi ness, spending millions in advertising, seeking in every possible way to create an appetite for beer. As a result the sale of beer is increasing. The output last year would form a lake six feet deep, a mile wide, and nearly four miles long. It would allow a distribution of two and three fifths barrels to every man, woman and child throughout the earth. The cost to the consumer is at the rate of nearly \$125,000 for every hour in the sits upon a throne and toys with a year. Being entirely cured of denfuess, thanks to your treatment I will now give you Gentlemen: — Being entirely cured of deafness, thanks to your treatment I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to sing, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarry, for three months, without any success, consulted a number of physicians, among others, the russt entirely early temporarily, that the head noises would only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours.
