nearing its noontide. Now it is combere, and the dividing line is being drawn tighter and tighter as each line of demarkation draws to the center. The present frend indicates but two future classes, the wealthy and the poverty stricken; capital on one side: labor, its slave, on the other. At present there is the middle class which stands between, but as wealth combines, a possible small per cent of this class may step up, but the mathem to exist. When poverty's ba Beware how the animal is stirred up.

Telegram: Upon the trust propoself as follows: "The evils of trusts are: first, destruction of competition; second, the management of industries by absent capital; third, destruction of local public spirit; fourth, fraudulent capitalization; fifth, secrecy; sixth management for the private benefit of the officers; seventh, the power to corrupt elections and in some cases to corrupt courts; eighth, indifference to public sentiment. But how will the venerable and distinguished Senator vote when legislation calculated by local applications, as they cannot to suppress the trusts is proposed?

the retailers can buy only of the one firm. It will make the prices and will be destroyed forever; nine to the dot. Don't Forget the Boys.

MARY W. LYON.

They say the world is growing worse With every changing year, That we have nothing at all to hope,

And everything to fear, That reckless love of power and gain All love of good alloys; That alcohol is bound to reign-

But don't forget the boys!-The boys who are learning to know his

And to hate his very name, To see behind his tempting smiles That the end is woe and shame; To turn away from the offered cup

That body and soul destroys, Such noble boys we must ne'er give up, No, don't forget the boys!

They form in line, and proudly stand, Cadets of temperance true; Pledged to defend their native land

And fight for its freedom, too;

Freedom from foes that harm the home And ruin its sweetest joys. An army of soldiers, brave and strong-Oh, don't forget the boys!

"Tis true they are only in training now, But the boys will soon be men, And out of our homes and out of our schools Will come our statesmen, then. A trumpet note of victory blends

With all their fun and noise; You need never despair of the future friends. If you don't forget the boys.

What Shall We Do?

I sat last night by my doorway as the twilight shadows crept up from day that lay like a tired child within night's twining arms.

I looked across the way, and I saw survey and for the maps, it was nec- this picture; a boy, young and frail essary for a man to make a journey and fair, a boy still caressed by a pographer of Gold Hill, Mr. Hunter but I heard his voice, and methinks ney down the Rogue from Gold Hill to pitiful voice in appeal to a cold, piti
