EDITORIAL.

The human hog is by far the most diabolical of all the beasts of prey.

With this issue the Recorder passes the nineteenth mile post and starts on its yearly round. It is not given to bad habits, hence, does not need to swear off and reform.

Oregon will soon be in the throes of another senatorial election fight. There is a heavy pull being made for Charles W. Fulton, of Astoria, for senator to succeed Joseph Simon, the present incumbent.

Often in a game of toss up, you hear the party who banners to toss the coin exclaim, "Heads you lose, tails I win." This reminds us of the reward that falls in common to the general rank and file who follow the two great political factions of the present time.

What is the mission of Socialism? Its mission is to undo the evils of the competitive system. During the thousands of years that the human race has been fostering competition, greed has been bred into mankind.

What Love For Money Does.

A fuel famine that is causing much suffering is reported in Chicago, and with the intelligence of want and woe that comes out from that city, comes other information to the effect that the railroad yards are well supplied with coal, in fact, that there is enough in the city to supply it for the winter.

At this season of the year we sing, "Peace on earth, good will to men," but what meaning can our anthems have to those, especially the poor, who because of enhanced values, are unable to provide themselves with the comforts of life?

It is not right that men should profit at the expense of life or extreme suffering of other men, women and children, and the time must come when a better and higher ideal of justice than exists now must prevail.

The earth affords ample sustenance and comforts for all, and nothing but a perverted use of nature's gifts brings present conditions.

Dislocated Her Shoulder

Mrs. Johanna Soderholm, of Forgas Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much.

Portland Journal: After a brief existence of four months the Bangor Exchange will be no more after the first of January. The Bangor Exchange has been issued in the interest of the Great Central Railroad Company—the Salt Lake Coos bay project—in the Coos bay country.

Municipal Ownership.

The Chicago Inter-Ocean, alluding to a meeting of the municipal ownership committee of the City Council, at which an ordinance was framed for the purchase or construction of municipal gas and electric plants, heads its article "What Nonsense," and declares that "aside from a small group of socialistic day dreamers in this city, anything like serious consideration is not given in any quarter to these municipal ownership proposals."

\$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity.

W. C. T. U. COLUMN.

The next W. C. T. U. meeting takes place Tuesday, at 2:30, P. M., at the M. E. Church.

When our Ship Comes In.

EMILIE S. WOOD. O'gyss queen! will you tell me true, Can you read in the sands of the sea, Can you count in the stars of the heaven's own blue.

WANTED—A TRUSTWORTHY GENTLEMAN or lady in each county to manage business for an old established house of solid financial standing.

Our temperance ship the port will gain? But the greasy queen, as she goes on high, Shook her head, and answered, "Nay, I can read no date in the stars of the sky. Nor yet in the sands of the bay.

Then we asked of the wise men, East and West, Prophets, sages and seers. If they knew when the ship we all loved best, In the lapse of the coming years Would at last cast anchor down on the shore.

So now we wait by the storm-tossed waves, And work through the twining day, And when the tempest around us raves, Still we work and sing and pray: For in the pilot-house of our barkage The Lord himself doth stand; He will guide it safe through sold and dark, To the light of the Morning Land.
