John Shields got a bad lick, Monday, that cut a gash above his eye that required six stitches to fasten up. Matters political seem to be moving in Curry County, as the following from the Tribune would indicate: "Judge Delos Woodruff, of Enebre Creek, and S. P. Peirce, of Sixes, are pronounced candidates for the Republican nomination for Joint Representative for Coos and Curry. R. D. Hume and F. H. Blake are also spoken of as possible candidates, but we cannot speak authoritatively on this point."

E. A. Abbott, representing Russell & Rogers Co., of San Francisco, was in Bandon, Tuesday, looking over the prospects for trade with Portland. Old Santa Clause is getting around early, but he delivers the goods. A young stranger arrived, Friday, Dec. 18th, at Mr. L. C. F. Allen and C. C. Stewart arrived here from San Francisco, on the steamer, last Monday, and as Allen has been interesting himself in the black-and-white proposition, for some time past, we presume that he has bided himself away to his favorite haunts.

Not So Bad.

Undoubtedly the people of Bandon were a little surprised upon hearing of the success of the "scrubs" from the little town by the sea, in their battle on the "gridiron" last Sunday.

Although it was not a victory, it was a worthy defeat, and the boys should be congratulated upon their showing, as well as upon their success against the feeling of the "well wishers" (1) at home.

The game opened at 1:30 on the Coquille baseball grounds with Chas. Baxter as umpire and referee. Too much praise cannot be given him for the fairness of his decisions. Coquille kicked off to Bandon, and the ball was returned five yards, where the scrimmage was taken up by the two teams. Bandon fumbled, and Smith, of Coquille, broke through, got the ball, and made a touch down. They failed to kick goal. Score, 5 to 0.

The ball was returned to the center of the field, and Bandon kicked off to Coquille, Lorenz being downed in his tracks. Coquille advanced the ball to the center of the field on end runs, where they lost it on a fumble, Clark breaking through and falling on it. Harper then made a line buck for four yards. Coquille then lost five more yards on an off side play. Coquille then held, and Jones punted ball out of danger. Eaton broke through and ball fell, striking him on the head, Bandon being paralyzed for five yards. By a rapid series of plays, Coquille brought the ball down to Bandon's yard line, where Clark again got through and falls on the ball. Time was then called.

The second half opened with Bandon kicking off to Coquille, who advanced it five yards. Bandon held the line bucks and end plays, and Coquille was forced to punt. Lining up for a scrimmage, Jones immediately punted back, and the player getting the ball was downed in his tracks. By hard playing, Coquille advanced to Bandon's forty-five yard line. Coquille was then held and she lost the ball on downs, Bandon getting the ball. Rosa punted to Coquille's 10 yard line; Smith got the ball and was downed. Time was called soon after, with Coquille in possession of the ball in Bandon territory.

All of Bandon's good work was done by individual playing. "Old Chew-maws" Dick Johns, held his position like a veteran, and was one of Eaton's strongest backers. Lee Eaton and A. McDuffee played good ball for inexperienced players. In the back-field young "Butch" Waldvogel and "Colonel" Rosa, by their brilliant tackling and breaking up of interference, prevented Coquille from gaining many yards. The boys are all proud in their praise of Cooper of Coquille, who filled a gap in the Bandon team made by one of the players failing to show up.

The Bandon Foot-ball Team, by their work last Sunday, showed that there is good material in this town for a first class eleven. The boys need suits and other equipment, and it is now "up" to the people of this town to help them out. If a traveling man is willing to give five dollars to help out the boys, it seems that the townspeople ought to do something.

Town has showed unusual activity during the past few days, and Santa Claus has been doing his annual shopping.

Rector of St. Luke's,

Ashburham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

ASHEBURNHAM, Ont., April 18, 1903— I think it is only right I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-sent remedy. Respectfully yours, E. A. LANFELDT, M. A.
