EDITORIAL

The Russians are now at work strengthening the fortifications at St. Petersburg. This would indicate that they have little confidence in the success of Russian arms at the front...

The Dermatological Association Convention, assembled at Niagara Falls, have been discussing what is known as "Whiskey Nose," with a view to remedial effects. There are several ways this terrible inflammation might be covered up among which are tattooing and skin-grafting...

The election is over, and the Republicans have won generally. In Coos, T. J. Thrift being the only Democrat to get an office. It is an old saying, "Like a scared wolf." His majority, of 253, would indicate that the other fellow was not in the race...

Now comes the news that many Russian citizens spent a whole night, on their knees, praying God to grant victory to the Russian arms. Now, should Port Arthur fall into the hands of the Japanese, after that effort to invoke divine assistance, we wonder what effect it will have upon the faith of the Boer's soldiers...

Home Circle Column

Crude Thoughts As They Fall From The Editorial Pen. Pleasant Evening Recreations. A Column Dedicated to Fred Mothes as They Join The Home Circle at Evening Tide.

Every day is a fresh beginning. Every month is the world made new. Yesterday's errors let yesterday cover. Here is a beautiful hope for you. A hope for me and a hope for you.

All the past things are past and over. The tasks are done, and the tears are shed. Yesterday's errors let yesterday cover. Here is a beautiful hope for you. A hope for me and a hope for you.

GOD placed Adam at the head of the household, but he created Adam and Eve equal, and true happiness can only come in the married life through the manhood of the man being equal to the womanhood of the woman.

THERE! how the chirp of that lonely cricket brings to mind the dear old home—yes, years and years ago and you are afraid to say how many—when the breezes crept in under the low hanging branches, and the graceful vine swept the roof of the old home with a loving embrace...

These who are persistent in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Bond of Bull, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once, and four bottles entirely cured her."

Schooner Antelope in Distress

San Francisco, June 8. The vessel which yesterday made signals of distress off the Farallone Islands, was the schooner Antelope, from the Coquille River, Oregon. She sprang a leak and her cargo of lumber shifted, compelling the crew to take to the rigging. She was towed into port today by the tug Sea Rover.

Triumphs of Modern Surgery

Wonderful things are done for the human body by surgery. Organs are taken out and scraped, and polished, and put back, or they may be removed entirely; bones are drilled; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns, and like injuries before inflammation sets in, which causes them to heal without maturation, and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic, and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home, and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail.

The Oregonian Carried Local Opinion

Sometimes a man makes a mistake and the reverse of what he desires to do is the result of his efforts; newspapers sometimes do the same thing and the Oregonian has been guilty of this mistake in its fight against local opinion. The following clipping is from the Daily Oregon Journal: "The triumph of the local option law in the state has carried dismay to the saloon-keepers, many of whom profess to believe that their business will soon be abandoned."

Revolution Imminent

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomachic distress. Electric Bitters will quickly dispel the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bowels, stimulate the liver, and purify the blood. Run down systems benefit particularly, and all the usual attending ills vanish under its searching and thorough effectiveness. Electric Bitters is only 50 cents, and that is returned if it don't give perfect satisfaction. Guaranteed by C. Y. Lowe, Druggist.
