A Lively Run away

There was considerable excitement on the street here last Sunday evenwas in town this week taking orders ing, caused by a horse, driven by J.C. Shield becoming frightened and ronning away.

Mr. Shield and J. B. Gross were in the vehicle, a buckboard, behind trying to force back the Japs at Kuchratyu the animal which became frightened when they drove upon the plank road borse started to run and the lines Arthur. W. A. Ward, of San Francisco, was broke, leaving no way to control the call and get your money back. G. P. doing business here Tuesday in the animal, and the occupants get out of the vehicle as best they could.

Mr. Gross made his exit from the Floras Creek bave been the recipients rear, and got off very fortunate, mere 30 to 40 deaths occuring daily. ly showing up with a coat of dust, but Mr. Shields met with a more seonsly ill last week, is very much im. vere usage and sustained severe bruis-North Bend last Saturday to visit proved and is on the road to recov- es and a general shaking up sufficient to make him quite sore for a few days. Later developments showed that Mr. Gross received considerable injury to his lungs and he has been under the care of the doctor since the accident.

The horse ran down the street to First Street, and at the corner, near the O. K. Saloon, Fred Gross succeded in catching one line and swung the borse in toward the sidewalk, but the rein broke and the ani mal dashed onward, and crossing the street to the north side, took to the sidewalk passing under the porch in front of the Lorenz building it succeded in passing between thstore and the posts of the porch without touching either, except to take a small chip off of one of the window sills. It kept the sidewalk to the Tupper House, where the buggy struck a post tearing it out, and Results come to those who labor breaking off the water pipe along don, but baving cooled down to a moderate gate, was caught near Mar

At the time of the incident our consistent with good management. friend A. G. Frosty was standing on mands. The machinery for the new Mills is the sidewalk at Lorenz's store, but at Rochester, Wis, M. R. Lee has notwithstanding he is "sporty" and a been there for some time, and has hostler, too, he concluded he had busibeen telegraphed to proceed with the ness in the street and that the horse arrangement to take down and ship might have full possesson of his right The buckboard came out of the
