Wilson, Mrs. W. Quinn and two children, Miss Flora Walker, Mrs. F. F. Farnham, John Blacklock and W. A. Denholm.
Myrtle Point Enterprise: While in San Francisco George Hall passed an order for \$5,000 worth of machinery for the mine on Poverty Gulch. The machinery is now being manufactured and is said to be ready to ship by next summer. We are informed that the steamship will be enlarged and matters are to be pushed energetically from now on. Mr. Esterberg is now in the East, and Mr. Hall has charge of the work.
Mildred F. Shoemaker, accompanied by Frank Severin and William Chase were here last week and took a trip into Curry County, from whence they crossed over the road from Langlois to Myrtle Point, and then returned to San Francisco by way of Roseburg. Mr. Severin is interested in the Oregon City Paper Mill, also in one at Truckee California, and was looking at the resources in Coos and Curry. He is one of the members of the Metropolitan Match Co, and his visit here was in the interest of that company.

Fatal Accident on Coos River.
Wm. Dayton, a logger, while working in the Stimmerman camp about 8 miles above Albemarle, received injuries yesterday that resulted in his death about a half an hour after the accident.
The unfortunate man, in company with two others, was standing on a log near the landing when another log came flying down the chute towards them. They saw their danger and started to run, Dayton, in some manner, missed his footing and fell between the log on which he had been standing and the other, and was carried the full length of the stationary log, having his legs and arms broken, and being otherwise badly mangled. -Evening Post.

Fighting at Liao Yang resumed at daybreak and lasted until midnight. The Russian went to gain a complete victory. There were 190 guns engaged on both sides. The Japanese captured 45 guns and a number of prisoners. The Japanese force was about 100,000 men. The Russian force was about 100,000 men.
