

Bandon

Volume XX.

BANDON, OREGON: THURSDAY, OCTOBER 6, 1901

LOCAL NEWS.

Call on H. A. Cox for Snowdrift flour.

"Photo" Buttons, 10 to 15cts, at Wrenshall's Gallery.

A house and lot for sale. Cheap. Enquire at this office.

Joseph Cox and A. B. Sabin, of Dairyville, were among the visitors to town Saturday night.

T. J. Thrift, of Coquille, was a Bandon visitor, Saturday night, having come down to renew old associations.

Elmer Handin who has been at Marshfield for some time past, came over last week to visit his relatives at Bandon.

There has been a very good run of fish in the river for a week or more past, and the cannery has been kept quite busy in caring for them.

William Tucker and Amos Carson went to Prosper, yesterday morning, to finish up a house N. A. Peterson is building for Mrs. Henkenhoff.

According to an item of news in the Coast Mail, the James Keane Company will visit Coos County about the middle of the present month.

Any one needing work done in carpentering, brick masonry, plastering, cementing, concrete work, painting and paper hanging, will do well to call on J. N. Luke, Bandon.

Mr. and Mrs. James Cartwright moved out of the Marshall Building on First Street, and Mrs. E. J. Hite & Co. have had it remodeled inside to suit their convenience for their millinery trade.

Mrs. Clara Beyerdie returned home last Thursday from her visit to her daughter, Mrs. Rose Peterson, at San Francisco. Mrs. Peterson was on the road to recovery when Mrs. Beyerdie left for home.

The Chico arrived Friday from San Francisco, bringing in some freight and a number of passengers. Following is the list: O V Geraszak, Mrs. L A Kennedy and two children, and Miss F Rines.

Still to be found at the old stand is H. A. Cox, the grocer, and of groceries and provisions he keeps the best. In fruit, nuts, candies, etc., he keeps in the front, having always a fresh stock coming in.

C. T. Flueger has been added to the warehouse force to help Robert Frederick with the work to be done there. P. C. Stephenson has been busy this week arranging an office for the Bandon Woolen Mill.

The steamer Elizabeth came into harbor last Thursday, bringing about 20 tons of freight, and 10 passengers. Following is the list: Miss Hilda Erickson, Mrs. Rose Beyerdie, Mrs. L Carr, L M Donahue, a Porschbaker, Mrs. G E Rice, Alfred Morris, wife and children, and Joseph Ripley.

The first number of The Recall, a new publication started at Coquille by C. R. Ingles, reached our table last Friday. It is an 8 page six-column publication, and brimful of local news. If its enterprising editor holds up his starting gage, he will make a very much alive local paper of it. Success to The Recall.

Coquille Hotel: A. J. Winer, formerly a grocery merchant in this city, and who has spent the past few years in Josephine County, has returned and purchased the small place at the mouth of Cunningham, of W. B. R. her. Formerly owned by Rev. C. Price. We are glad to have Mr. Winer back with us again.

Wood Waxers: The Bandon Commercial Co. will pay the highest price for wood.

For Sale: A Buggy Top Cart, in first-class condition cheap. Enquire of P. Nelson, Bandon.

H. A. Cox keeps wheat and shorts or sale.

J. E. Hawkins, of Dairyville, was in town Monday, having brought up a lot of butter.

Postmaster General Payne was shaking very rapidly, at last account, and would last but a short time, says a Washington dispatch.

W. V. Cope, one of Northern Curry County's prominent dairymen, was in town Saturday, having brought up a lot of butter for shipment.

The members of the Methodist Episcopal Church are having a new coat of paint applied to their church building which will add very much to its attractiveness.

The Bandon Chamber of Commerce is still pursuing the course that leads to greater business facilities and a larger town. Jim in the institution and add your influence and aid to it.

Jacob Prewitt, Jr., and Josse Lee, of Bear Creek, were doing business in town yesterday. J. A. Deak, another citizen from that locality, was doing business in town, yesterday, also.

John Kromendig and wife of Coquille City were in town this week, having come down to take passage on the steamer Elizabeth for San Francisco, where they go to visit their son Fred.

Marshall 1 Stand: According to the terms of settlement of the Blaine hotel difficulty, that institution, after the 1st inst., will be managed and conducted by E. G. Flanagan and Emerson Ferrey.

Mr. M. R. Lee who went to Rochester, Minn., some time ago, in the interests of the Bandon Woolen Mill, has finished his work there and is now in Humboldt Co., Cal., whither Mrs. Lee and children went to visit relatives.

T. L. Graves, the Coquille photographer, was a visitor to Bandon this week, having come down to visit his sister, Mrs. F. A. McAll and her husband. He returned to Coquille Tuesday morning.

Dentist Will Be Here.

A. B. Prentiss, the Marshall dentist will be in Bandon Sunday morning, Oct. 9th, ready to do all kinds of work in his line of business, and asks those who need his services to call early and make dates, as his stay will only be for ten days. All work guaranteed, and teeth extracted without pain.

North Bend Post: The well which is being sunk at the Condensary, has now reached a depth of nearly 300 feet, with but a small flow of water. The managers have decided, unless water be struck within the next few days, to discontinue the work.

Mr. C. M. Sain, the Oregonian correspondent, spent a couple of days in Bandon, leaving Tuesday morning.

Mr. Sain is in Coos County as the representative of the Oregonian, for the purpose of bringing the resources of this part of the state prominently before the public generally.

A big time will be the excursion for W. O. W. Kelly at Coquille City, next Saturday, October the 8th. The steamer Dispatch will leave Bandon Saturday morning, at 8:30, and will return to Bandon Sunday morning.

The Bandon Carpet Band will be in attendance and will endeavor to enliven the occasion. The fare for the round trip will be 50 cents.

Florence West: The schooner Del Norte was taken out over the San Sunday, loaded with lumber for San Francisco. This is the vessel that ran aground near the mouth of the Coquille River in June, while being towed out by the tug Rose. The work of getting the schooner afloat and making the necessary repairs caused a long delay for the craft.

The Recall: The gravelled part of the road between this place and Myrtle Point, is certainly a pleasure to ride over. It has been built under the supervision of efficient mechanics, and is undoubtedly one of the best "pikes" in the county. We hope to see the graveling continued until the road is completed to town. The improvements have reached to Johnson's mill, and as this part of the road is traveled to a great extent, we hope that our county court will see that the good work goes on.

Cranberry Picking.

The Indians who have been picking cranberries on the Butterfield marsh at North Slough, have finished their work, having picked about 300 bushels, for which they received 75 cents a bushel.

It is understood that they are now on their way for a higher price than C. D. McFadden is willing to pay for the picking of his crop. Const. Mail.

The Indians who have been picking cranberries on the Butterfield marsh at North Slough, have finished their work, having picked about 300 bushels, for which they received 75 cents a bushel.

All persons are hereby forbidden to trespass on my property for the purpose of hunting and trapping, for any game upon my lands, having game in their possession, will be promptly prosecuted.

John Hammon, San Francisco.

Stray Dogs.

There are three blacksheep, weighing about 60 pounds each, at John Lamont's ranch. The dogs are not marked. Owner will please come and take dogs and pay for this notice.

This section was visited by a refreshing rain last night.

James Armstrong is improving his health by giving the roof a coat of paint.

M. Breuer's new residence and store will soon be ready for occupancy.

J. N. Hoskin went to North Bend today, having business that called him there.

Mrs. W. L. Davidson, of whom mention was made last week as being very ill, is improving very nicely.

We will sell our black jersey milk cow, known as Sam Barrows' cow, Price \$30—SAUNDERS & BROS.

Rev. Thomas Begon took passage on the Elizabeth, yesterday, for San Francisco. He has gone to California to bring his family to Coos County, having concluded to make his home here, for awhile at least.

Work is still progressing on the Woolen Mill building. The piles driving was finished Monday and the work of laying the sill and sleepers and first floor is now being done. The machinery at Rochester, Minn., will soon be ready for shipment, as the packing is nearing completion.

Mrs. May Le Queen, a graduate nurse of St. Vincent's Hospital in Portland, who has had four years' experience here Sunday morning, experienced overhead. She has entered the employ of Dr. Stevenson at Beaver Hill, where he is gradually fitting up an up-to-date hospital. Client Mail.

The steamer Elizabeth sank on 53 head of current for W. S. Marshall, Thomas Anderson and H. H. Smithberg yesterday, and went to Coos Bay where they would make an anchor for San Francisco. She has a lot of fat hams for F. Thompson of Florence Creek, W. S. Marshall of New Lake, went along to look after the stock.

Leopold Averdorni W. H. Schmid, teacher of St. Vincent's Hospital in Portland, who has had four years' experience here Sunday morning, experienced overhead. She has entered the employ of Dr. Stevenson at Beaver Hill, where he is gradually fitting up an up-to-date hospital. Client Mail.
