Marshall Son: The steamer Breakwater has been awarded the contract for carrying the mail between Marshall and San Francisco on a weekly schedule. This will not interfere with the mail coming over the old route. The remuneration to be received is said to be \$25 for each trip.

A unique feature of the trial that was to be substantial to materialize the for-part of the week is that to the would have been defendant it was a disappointment rather than matter for consolation, since the facts in the case, if brought fairly before the public, would tend to correct certain statements whose purport has the tendency to injure rather than to justify.

Port Orford Tribune: Our old friend Shad Hudson writes us that he was admitted to the Soldier's Home at Roseburg on the 3rd, and that it is a "nice place and all the Old Soldiers seem to be well satisfied." He says he has all the Master Rolls of the Indian War Veterans from 1847 down to 1855-6 and 7, and will gladly furnish information relating to the same to any who will enclose stamp for reply. The verdict was five in favor of defendant and one for plaintiff.

**Christmas Festivities.**

The Latter Day Saints' Sunday school will have a Christmas tree, Saturday evening, Dec. 24th, in Rec-ord Hall, for which occasion a lettering program of songs, declamations and dialogues have been prepared.

A cordial invitation is extended to the public.

Saturday evening will afford pleasure and amusement for all. The Presbyterians will have their usual festivities and Christmas tree at their place of worship, and the M. E. Sun-day-school will also observe Christmas Eve in their church, having exercises prepared for the occasion and the usual Christmas tree.

**Christmas Services.**

Elder E. Keeler will preach in Recorder Hall, Christmas Day at 11 a.m., and at 7:30 in the evening, and will continue services each evening until further announcement. All are invited to attend and investigate as to the truth of what he teaches.

Sunday Welcome: A 70-year-old bachelor in Boston married an 18-year-old girl who has twice been a widow. He must have wanted youthfulness and experience combined.

Dancers will have plenty of opportunity to enjoy themselves at Bandon on Christmas Eve. The Foresters and the members of the Bandon G. A. R. Post are each prepared to entertain, the former with a Grand Ball and the latter with a Masquerade Ball. The Whetstone Orchestra will furnish music for the Foresters, and the McCulloch Orchestra has been secured for the Masqueraders, so that good music will be in attendance in each instance.

**Another Strenuous Denial.**

From all reports it is apparent that Dame Rumor is taking a very active part in the holiday festivities so far as mischief is concerned.

Numerous reports have been circulated concerning the feeling and rivalry between the Foresters and G. A. R. on account of each organization giving a Grand Ball on Christmas Eve; these rumors have been persisted in until they caused members of the G. A. R. to write an article in last week's issue of the Recorder denying the circulated reports, and closing with a lengthened comment on their position in the matter.

This naturally calls for a like article and explanation on the part of the Foresters. This organization, although rumored to the contrary, has never held up or criticized any of the old soldiers, or passed any remarks against the G. A. R. Post at Bandon on account of their giving a Ball on Christmas Eve; to the contrary, we wish them success. Foresters have said they would buy tickets for both dances. A certain person who claims to be a Forester, "but is not," says that the name of Committeeman J. W. Feller of the G. A. R. was epithetically used in the body of the Forester's Lodge; we take pleasure in emphatically branding this rumor with all others, as an absolute falsehood. The Forester's Lodge, like the G. A. R., has business enough of its own, and having great respect for the old soldier who fought for his country's honor, it is our wish that both dances be largely attended and a grand success, and that mischief makers mind their own business.

**COMMITTEE.**  
By order of the Lodge.

**Turkey Shipment a Success.**

The Coquille Co-operative Packing Company report success for their first shipment of turkeys. The shipment reached San Francisco without the loss of one fowl, and reached a favorable market netting the company a healthy profit. This shipment demonstrates the practicability of San Francisco as a market for small produce.

Another shipment is on its way down the river, and its success will be reported later on in these columns.

Despite the fact that the Coquille valley has had a struggle in the raising of turkeys, a large number of ranchers are preparing to enter this industry since the packing company has guaranteed a bit a pound for next year's products in unlimited quantities.

When you want a pleasant laxative take Chamberlain's Stomach and Liver Tablets. For sale by C. Y. Lowe.

J. N. Langlois has purchased an interest in the Loreuz store at this place. He and George Loreuz have formed a partnership, and will be sole owners of the business. The new firm will stock up and keep an up-to-date establishment.

**Christmas Goods.**

In making your purchases for Christmas give William Gallier a call and you will find goods useful as well as ornamental.

Amongst his wares are Dishes and Fancy Dishes; Lamps and Fancy Lamps; Hobby Horses, Shoo Flies, Doll Carriages, Express Wagons, Bird Cages, Lunch Baskets, Telescopes, Cutlery, Spectacles, Cheap Watches, Glass and Granite Ware. One of those nice stoves or a range will make your wife smile with contentment and pleasure.

**Strenuous Denial.**

Mr. Editor, and to whom it may concern:

Having learned that it has been reported around that remarks had been made by some of the members of the Grand Army Post, of Bandon, against the Foresters' Lodge, of Bandon, we take the liberty of denying the same, and stating that it is an unqualified falsehood, and whoever says the remarks were made is an unqualified falsifier, and we defy anyone to disprove the assertion.

The G. A. R. Post has business enough of its own to attend to without attempting to meddle with the affairs of other organizations, and our motto is to live in amity and peace with all, but we are very sorry to say that such is not the case with the others for the following reasons:

The Grand Army of the Republic is a charitable organization and a loyal one, whose objects are to take care of the widows and orphans of old soldiers, and to take care of and aid all old soldiers, who, at the risk of their lives and limbs, presented themselves as a living breastwork so that this glorious union of states might be kept together as one, and how nobly they performed that duty these glorious United States now show; as most of the members of the organization are in poor financial circumstances, they have, ever since their organization, "some 16 or 17 years ago," held one Annual Ball on every Christmas Eve, December 24th of every year, and as it is the first and oldest organization in the town of Bandon, that evening was by general consent of the public, conceded to them so as to replenish their fund for charitable purposes. This has been done ever since the Post was organized here, but this year a certain party in Bandon thought this should not be so, and to prevent the G. A. R. Post from holding their Annual Ball, as usual, on their regular evening, this same party went to work and hired the only two halls in the town of Bandon, with the intention of giving a Ball in one hall and closing up the other hall so that the members of the G. A. R. Post should be debarred from holding their Annual Ball for charitable purposes. As this was attempted and persisted in, we take this method of informing the general public and our friends that Bandon Post, No. 56, of the Grand Army of the Republic, will hold their Annual Masquerade Ball on the usual night, on Christmas Eve, December 24th, 1904, at Kime's Opera Hall, the proceeds of which will be used only for the purpose stated, "Charity," and we will guarantee the public and our friends that they will have the usual happy and enjoyable time.

BANDON POST, No. 56, G. A. R.
