GETTING BETTER.

Mrs. Cora Conrad, Prosper, Oregon. Dear Madam: I am instructed by Dr. Calbreath to inform you in reply to your letter of Dec. 29th, that Mr. White has been getting along very comfortably since his commitment to the Asylum. He has shown no active mental disturbance at any time. When he was first here he was showing some mental weakness, was absent minded, and at times somewhat confused, but he soon got over this and has been bright and cheerful, and aside from a mild degree of impairment, showing no particular disorder. I do not know what the cause of his derangement might have been, but suppose it was due to his age and ill health. We have given him the liberty of the grounds and he is out daily for fresh air and exercise, and altogether seems to be enjoying himself very well. He does not seem to worry about being here, and thus far has not expressed any particular desire to return home. I suppose he will want to do so after a while, and if he should continue to get along as well as at the present, we think there would be no objection to him returning home early in the Spring. He has willingly taken such medicine as we have deemed necessary to give him, and indeed he has shown no inclination to refuse to do anything required of him. I will give him the enclosed letter and ask him to write to you, which he is able to do if he wishes. Yours truly, W. D. McNARY, Second Assistant Physician.

Mrs. S. R. Charlson had a paralytic stroke last evening, and is seriously ill.

D. J. Lowe, better known as Judge Lowe, was seriously ill this week, but is getting much better again.

Judge Hamilton held that the election was legal in Douglas County, and six saloons in Deer Creek, Roseburg precinct, had to close.

The brick work for the boiler, at the woolen mill, is being constructed from bricks made at the Arago brick yard, which is, without doubt, the best lot of brick that has ever been brought to Bandon.

Frank Henry and Miss Myrtle Shannon were united in wedlock last Sunday at the home of the bride's father, Mr. R. P. Shannon, Rev. J. L. Beatty, officiating. The Recorder joins the friends of the bride and groom in extending congratulations.

A young man giving the name of George Lartor was arrested and given preliminary examination at Marshfield, last Monday, for burglarizing the house of a Mrs. Anderson, a widow, resident of Coos River, of \$57 in cash and a number of gold nuggets and other articles. He was bound over to appear at Circuit Court, and for want of bail was sent to the county jail.

To the Friends of Local Option

We had a splendid and enthusiastic convention Jan. 3rd, but now we have a work before us. Enthusiasm is good so far as it goes, but it will not pay the expenses of carrying the matter of the injunction through the courts. Those who were present subscribed liberally to the fund. But in the nature of things hundreds of those who voted for local option could not attend the convention. It is to you, friends of the cause, who live in various parts of the county, that this appeal for funds is particularly directed. If every voter who voted for local option in November will send to the treasurer, A. H. Mulkey, Coquille, from \$1.00 to \$10.00, we will have a ample fund to see that the law is properly enforced. There is very little doubt but that the injunction will be dissolved, and the law will be declared in force. But every effort will be made to hinder its enforcement. It will be tested in the Supreme Court by the saloon keeper. However, we have nothing to fear as this identical law has been declared constitutional in other states, notably Texas. It all depends on you voters who voted for the law. Will you demand that the majority rule, and will you back up that demand by contributing to the necessary expense of putting your expressed will into effect? Send all contributions to the treasurer, Yours for honest obedience to law, ADOLPH HABELEY, Sec'y Law and Order League.

A Very Close Call. "I stuck to my engine although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman of Burlington, Iowa. "I was weak and pale, without any appetite, and all run down. As I was about to give up, I got a bottle of Electric Bitters and after taking it I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by C. Y. Lowe, Druggist. Price 50 cents.

If your folks don't use Sperry's Flour, get them to buy a sack and tell us what they think of it. Each of the contestants must write their reasons and have them in the office at Marshfield before January 1st, 1905. Owing to a misunderstanding the time has been extended to February 1st.

Marshfield, North Bend, Myrtle Point, Coquille and Bandon will be kept separate, and \$500 paid for the best answer in each district, and an additional \$500 paid to the best answer out of the whole. For the younger children we have a fine Mother Goose book that will be mailed to any child under 8 whose parents will tell us what brand of flour they are using. Address all letters to SPERRY FLOUR COMPANY, F. S. Dow, Agent, Marshfield, Or. Bandon, Ore., Dec. 28, 1904.

Sperry Flour Co. My mama likes Sperry's Flour because it does not require so much kneading to make good bread as other brands.

My papa likes it because it is more economical; for mama says that it does not get stale so quick and that scraps of good bread may be made into toast, dressings, puddings, etc., so there is no waste.

We boys like it because we enjoy eating such nice, soft, white, spongy bread.

Therefore, our folks like Sperry's Flour because it is better, cheaper, and easier made up than any other flour. Leon Smith, Bandon, Ore., Dec. 31, 1904.

Sperry Flour Co. Gents. We like Sperry's Flour because it makes the whitest, sweetest, and best bread in the world. Everybody that makes good bread uses Sperry's Flour. Nora Gibson, 13 years old, Bandon, Oregon.

Marshfield, Or., Dec. 25, 1904. Sperry Flour Co. F. S. Dow, Agent, Sir.

The reason why my parents like Sperry's Flour the best is because it makes the best bread and must therefore be the best flour.

Yours respectfully, Bessie Ayre, Bandon, Or., Dec. 20, 1904.

Sperry Flour Co. Dear Sir, My parents have used Sperry's Flour for fourteen years and like it better than the other brands.

Because it makes lighter, sweeter, and whiter light bread, and for biscuits it raises quicker and makes finer grained biscuits and makes better pancakes. Because it has got more life in it than the other flour.
