Telegram: A member of the Missouri Legislature has introduced a bill to make it illegal for waiters to accept tips. This may be one way of frustrating the tip evil, but a better way would probably be for proprietors of restaurants to establish a rule vogering the same ground. It is suspected by an unfeeling press that the author of the measure is endeavoring to retaliate on men whom he met at the St. Louis Exposition.

A Very Close Call,

"I stuck to my engine although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman of Bur-Lipgton, Iowa. "I was weak and pale, without any appetite, and all run down. As I was about to give up, I got a bottle of Electric Bitters and after taking it I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by C. Y. Lowe, Druggist. Price 50 cents.
