Marshfield, Oregon.
Gentlemen:
Received your poster and I compete for the reward of \$500. My mamma says she has used a half a dozen different brands of flour in the past ten years, and she has never found any flour that is as good as Sperry's, because it is very easy to work, and it raises so nice, and does not run out of the pans like other flour, and makes such very light white bread, and at four days old has not dried out scarcely any, and mamma says she would rather use Sperry's Flour than any flour she has ever had in her house, and mamma wants everybody to buy Sperry's Flour.
Yours truly,

It surely saved my life." This great cure is guaranteed for all throat and lung diseases by C. F. Lowe, Druggist. Price 50cts and \$1.00. Trial bottles free.
