Some of our citizens who have been annoyed by chattering on the side walks and corners of streets after the time people should have gone to bed, are wondering if the curfew ordinance applies to girls, and if not, why not? These night promenaders becoming very numerous, and no good will result from most of them. If the parents cannot control the promenaders, then perhaps the authorities should act.**

The parade, led by the Bandon Cornet Band, started for the cemetery at ten o'clock, where the respective and fitting rites of the Woman's Relief Corps and the G. A. ### Easy Victory for Bandon.

**Bats North Bend's Star Twirler all over the Lot.**  
The few fans who accompanied the home team to North Bend, Sunday, were rewarded by witnessing Bandon take her first game of the season, and a good exhibition of baseball. McKune started things in the initial inning, with a two sack to right field, and after Bliss' failure to connect with the ball, was advanced to third on a hit by Adams. McKune and Blackerby, who was substituted for Adams, worked a nice double steal scoring McKune. Clynnes and Oswill retired the side with three healthy swings apiece.

**Hughes gave his only pass to Newell the first man up, and was unfortunate enough to have it result in North Bend's only run by a sacrifice of Hunt's and a two bagger by Graham. Higginbottom hit to Hughes and was retired at first and Northrop struck out. Ward drove a nice one to left field fence for two bags. Blackerby flew to Davies. Rosa bit to pitcher advancing Ward to third. Hughes out on long fly to Graham, putting the side down.**

**McGinnis out, Adams to Bliss, Felter out, Blackerby to Bliss. Davis hit safe and Reed flew to Ward. McKune flew to Higginbottom. Bliss beat a bow and went to third on Adams' hit, both scoring on Clynnes' two sack to center field fence. Oswill took three more healthy swings and Clynnes was just nipped at the plate, where he tried to score on Ward's hit. Higginbottom struck out. McGinnis hit over second but was thrown out on an attempt to steal.**

**Blackerby flew out to Newell. Rosa fanned and Hughes bit to pitcher. Felter struck out. Davies out to McKune and Reed fanned.**

**McKune started the fifth inning with a hit, was surprised by Bliss and scored on Adam's hit, the latter being thrown out at second. Clynnes walked and was caught trying to steal. Newell reached first on McKune's error. Hunt out to Ward. Graham hit to Adams, and Newell was caught trying to steal.**

**Oswill flew to Northrop. Ward got a nice drive over second, but was caught at stealing. Blackerby and Rosa bit. Hughes walked filling the bags. McKune walked forcing in a run. Bliss made a beautiful drive to center of which Northrop made a circus catch off his shoe strings. Newell hit to Hughes. Hunt to Adams and Graham flew to Clynnes.**

**Adams out, pitcher to first. Clynnes struck out and Oswill's hard drive was fielded to first by McGinnis. Higginbottom was safe on a low throw to Bliss, but was caught between first and second. Northrop flew to Clynnes, and McGinnis made a line drive to center which Clynnes gather d in by a one hand stab. Hughes reached first on Reed's error. McKune flew out. Bliss out to Northrop and Adams struck out. Newell walked. Hunt hit to Hughes doubling Newell. Graham was safe on McKune's bad throw, and Higginbottom ended the game on a hit to Hughes.**

**The feature of the game was the pitching of Hughes, not a man getting beyond the second cushion after the first inning. Oswill did some great throwing to second, catching every man attempting to steal.**

### The Mule.

**By Johnny.**  
The mule is a funny sight;  
He's made of ears and dynamite,  
His heels are full of bricks and springs,  
Tornados, battering rams and things.  
He's fat as any poisoned pup;  
It's just his meanness swells him up;  
He's always scheming 'round to do  
The things you most don't want him to.

**Dying of Famine**  
is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers, of Cearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed by C. Y. Lowe's Drug Store. Price 50c and \$1.00 a bottle. Trial bottle free.

**Marshfield Sun: Dr. Haydon returned this week from a cursory visit to Portland, whether he went in the interests of the Coos County exhibit. He is quite pronounced in his expressions of the excellency of the Coos County building, which he says out-rivals all others, and which Contractor Turpen will have completed this week. Speaking of exhibits, Dr. Haydon said: we are adhering to the original plan of showing strictly Coos County products, and will have our building well stored with productions that will dazzle the eyes of spectators, and cause them to marvel from whence they came. When asked as to everything being in readiness for the opening day, June 1st, Dr. Haydon was loath to reply, but from the expression on his countenance, it was gleaned that it might be a few days later. He predicts that the Fair will be a howling success and that Coos County will derive untold benefit from the showing that will be made.**

Mrs. S. Lindsay, of Fort William, Ontario, Canada, who has suffered quite a number of years from dyspepsia, and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets.
