to Another, but Cured by Chamberlain's

Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey, of Agnewville, Va., was serionsly ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarhoea Remedy, and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had Good bye, old house! I shall not soon forget taken the half of one small bottle, she was well." This remedy is for sale by C. Y. Lowe, Druggist.

### Coquille River Improvements

The following is taken from Major The wave of reformation still W.C. Langfitt's report, showing river sweeps enward, and is now turning and harbor work done in Oregon dis-

The expenditures on the original and modified projects to June 30, 1005, on the Coquille River, amount to \$239,987.21, of which the sum of \$23,799.77 was for maintenance. The as shown by the survey of June, is about 8 feet. The average daily range of the tide is about 4.2 feet. No work "I knew no one for four weeks is contemplated after completion of sulted in closing up the dangerous old channel at the mouth of the river, and dest in human language. opening up a new channel straight out to sea, with a controlling bar depth ranging from 6 to 9 feet at every family for the payment of all mean low tide.
